Message:

Dear Dr. Shalan,

Thank you for extending the invitation to serve as a Technical Program Committee (TPC) member for the 6th International Conference on Artificial Intelligence, Robotics, and Control (AIRC 2025). I am honored to accept this invitation and am excited about the opportunity to contribute to the success of such a prestigious conference.

With my expertise in artificial intelligence, including its applications in robotics, control systems, and cybersecurity, I am confident in my ability to review submitted papers critically and provide constructive feedback to ensure high-quality research is presented. I am also eager to assist in the selection process and contribute to the conference's publicity by sharing the Call for Papers (CFP) within my professional network.

AIRC 2025's goal of fostering collaboration among researchers, academics, and industry professionals aligns closely with my passion for advancing AI and its interdisciplinary applications. I look forward to collaborating with the committee and contributing to insightful discussions that will shape the future of this dynamic field.

Please let me know of any next steps or requirements as I begin my role as a TPC member. Feel free to reach out if additional information is needed from my side.

Thank you once again for this opportunity. I look forward to contributing to the

Who: Atef Shalan => Rakesh Thoppaen
Subject: invitation to AIRC 2025 program committee

Dear Dr.Thoppaen,

On behalf of the organizing committee, I am pleased to extend an invitation to you to serve as a Technical Program Committee (TPC) member for the 6th International Conference on Artificial Intelligence, Robotics, and Control (AIRC 2025). The conference will be held in Savannah, GA, from May 7 to 9, 2025.

Conference website: <https://www.airc.org/>. Please note that our initial candidate list for the TPC members has already been published in the conference materials. However, this list is tentative and subject to updates in the future.

AIRC 2025 aims to bring together leading researchers, academics, and industry professionals from around the world to discuss and share their latest research and advancements in artificial intelligence, robotics, control, and cybersecurity. Your esteemed expertise and significant contributions to the field make you an ideal candidate for this important role. As a TPC member, your responsibilities would include:

- Reviewing submitted papers and providing constructive feedback.
- Assisting in the selection of high-quality papers for presentation.
- Ensure a successful conference, contribute to its publicity, and distribute the CFP to your network.

We believe that your involvement would significantly enhance the quality and success of the conference. Please let us know your availability and willingness to take on this role.

Thank you for considering this invitation. If you have any questions or need further information, please do not

hesitate to contact us.

Best regards,

Attached: AIRC 2025 CFP.

Best regards,

Atef Shalan, Program Chair
